Subject: Peer Review Nominations

Dear Mr. McLerran, Mr. Parkin and Ms. Fordham:

The deadline for nominating candidates for the Peer Review Panel of the BB Watershed assessment was on Friday, March 16th. A coalition of tribes and village corporations who are concerned that they will be impacted by any action that the EPA takes regarding the 404 provisions of the Clean Water Act, met and selected candidates for the peer review panel. We believe that the nominations met the criteria of qualifications to serve on the Peer Review Panel.

I am aware that the selection will be made by the EPA contractor but I am contacting you because the EPA has oversight on the peer review selection process. My question to you is about scheduling. When will we know if our candidates were duly considered?

Sincerely,

Trefon Angasan
